Introduction

Firestar: *waves his tail* Hello welcome to Ways To End Up In The Darkforest. The ultimate warrior book full of your favourite cats doing silly things at silly times whilst making you fell silly! I hope that you-

Cloudtail: *Interrupts rudely* As my *wonderful* uncle was saying, he hopes that you will give me cookies in exchange for your... *chuckles evilly* Lives...

Firestar: What?! Cloudtail!!!

Cloudtail: *runs off and calls over his shoulder* Catcha later alligator!

Firestar: What in the name of Starclan is an alligator? Take it back now! *Chases after Cloudtail*

Sandstorm's Training Session

Sandstorm: Ok, Firestar has asked me to train you for the upcoming battle with Bloodclan. *looks at Sorrelkit, Rainkit and Sootkit* Any questions?

Sorrelkit: *raises a paws* How long is a piece of string?

Rainkit: *Snorts* Mouse-brain! A piece of string can be any length!

Sandstorm: *Lashes her tail angrily* I meant a question about fighting!

Sootkit: I bet that you don't know the answer. That's why you changed the subject.

Sandstorm: *Growls at the kits, wishing that she didn't have to train them* A piece of string is twice as long as half it's length. Satisfied?

Sorrelkit: *Nods then pauses* What came first? The kit or the cat?

Sootkit: *shrugs* Who cares?

Rainkit: I think it would be the kit. What do you think, Sandstorm?

Sandstorm: *Runs away* I. Can't. Take. This. Any. More!!!

Firestar: Sandstorm? Come back here!

Sandstorm: *Grumbles something under her breath and prowls back over to Firestar and the kits* What?

Firestar: How's the training going?

Sootkit: *Giggles* Sandstorm is funny!

Sorrelkit: Yeah! Can she be my mentor?

Firestar: *Smiles* Of course. Sandstorm would like that wouldn't you Sandsto- Sandstorm? Where are you?

Sandstorm: *Screams and runs away* Noooooo!!!!!

The Real Reason Why Hawkfrost Hates Lionblaze

Lionblaze: *Pads into the Darkforest cautiously* Tigerstar? I'm here for a lesson. *Stops talking as he hears Hawkfrost's voice*

Hawkfrost: BABY YOU LIGHT UP MY WORLD LIKE NOBODY ELSE! THE WAY THAT YOU FLICK YOUR HAIR GETS ME OVERWHELMED! AND WHEN YOU SMILE AT THE GROUND IT AIN'T HARD TO TELL! YOU DON'T KNOW-OH-OH! YOU DON'T KNOW YOUR BEAUTIFUL-OH-OH-OH! THAT'S WHAT MAKES YOU BEAUTIFUL!

Lionblaze: *Giggles and steps out from the shadows* You like One Direction! HaHa!

Hawkfrost: *Whips around and looks at Lionblaze in shock* Wha? Whats wrong with One Direction?

Lionblaze: *Raises his eyebrows* 1D is for chumps! Especially Harry Whatchamacallit!

Hawkfrost: *Growls loudly* Harry Styles is not for chumps! He's my favourite person in the world!

Lionblaze: Right... And you wonder why you never became deputy....

Hawkfrost: Of course I wonder why I was never chosen. I would have done what was best for the clan, like let all of the members in One Direction join Riverclan!

Lionblaze: *Rolls over laughing* Aw your such a darling aren't you? Inviting 1D into Riverclan! HaHa!

Hawkfrost: Shut your flabby face! Your just jealous!

Lionblaze: Jealous? I hate One Direction!!!!

Hawkfrost: *Starts to cry* Well I hate you! And so does 1D!

Lionblaze: OK... I won't be coming back here again... *leaves*

Hawkfrost: *Wails loudly* I love 1D!!! *continues to cry*

Jayfeather's Birthday Party

Everyone in Thunderclan: Happy Birthday to you! Happy Birthday to you! Happy Birthday dear Jayfeather! Happy Birthday to you!

Brambleclaw: Hip Hip!

Everyone in Thunderclan: Horay!

Brambleclaw: Hip Hip!

Everyone in Thunderclan: Horay!

Jayfeather: *Takes a deep breath and blows out two of the five candles*

Berrynose: Haha! Jayfeather has three girlfriends!

Everyone in Thunderclan: *gasps*

Leafpool: *to herself* Just like his father....

Jayfeather: *Growls* You mouse-brained idiots! I'm a medicine cat!

Cloudtail: So...?

Jayfeather: Don't you know anything about the warrior code?!

Cloudtail: Nup.

Jayfeather: *sighs* Of course not.

Brambleclaw: On with the celebration! I bought some illegal fireworks for us to use! *Starts to light them with his lighter*

Everyone in Thunderclan: *a blue firework explodes* Ooooh.... *a pink one explodes* Ahhh....

Jayfeather: *looks up at the sky* What? I can't see anything!

Everyone in Thunderclan: *ignores Jayfeather*

Dovewing: Wow! Did you see that?

Jayfeather: *growls* What do you think?!

Purdy: Who'd of thought it? I didn't know that you could have so many colours! *Purrs as a green firework explodes*

Jayfeather:This is so unfair!

Longtail: I know, right? *raises his voice* Some of us can't see you know! Not even the Birthday boy!

Berrynose: *snorts and glares at the two blind toms* Then get a guide-dog!

Jayfeather: Worst. Birthday. Ever.

Cloudtail's Warrior Code

1. Defend the other warrior code terribly. Cloudtail's code is the best.

2. If a tiny kit wants to go into battle let them! 6 moons is a long time for a kit to wait.

3. Never hesitate before killing an opponent unless they have cookies!

4. Medicine cats can have kits but not mates (The penalty for breaking this code is giving Cloudtail 1000 cookies).

5. A clan leaders word is law unless you don't like your leader.

6. You don't have to appoint a new deputy after Moon-High. Don't even appoint one if you don't want to!

7. Ummm I can't think of a code 7 so let's just skip this one...

8. Hedgehogs can fly so if you say something silly and a cat says "And hedgehogs can fly" the mouse-brain actually believes you!

9. Don't eat too much fresh kill before bed. Eating too much can lead to dreams about stupid cats that even stupider cats call "Starclan".

10. When talking to a medicine cat, stuff your ears with moss so you don't hear about "Starclan".

Why Me?!

Dear, Whoever's Idea It Was To Let Me In Starclan,

Why me???!!!!! This place sucks!!! Everyone's so happy here it's enough to give you the heebygeebies!!! And to make matters worse I now have to live with Hollyleaf again!!! She murdered me so why is she here??? Why am I here??? I tried to kill my own clan-mates for Starclan's sake!!! Get me out of here!!!

Lots of love,

Ashfur.

PS. Who ever can answer my questions will be my new BFF!

Mousefur's Chapter

.

What A Waste!

Firestar: What a complete waste of a chapter! Mousefur are you mouse-brained?!

Mousefur: No! Jinxedglare gave me a chapter and told me that I could do what I wanted!

Firestar: I'm sure that she didn't mean that you type nothing at all!!!

Mousefur: That's not true. I did do something.

Firestar: What?

Mousefur: I typed a full stop.

Firestar: That's pathetic!!!

Mousefur: Well Jixedglare liked it and I am going to do nothing as much as I like!!!

Firestar: Don't you dare!

Mousefur:

.

Firestar: Grrrr! You did it agian!

Mousefur: *Grins* I know.

Firestar: This conversation is now over.

Daisy's Shop

(Daisy has just come to Thunderclan with her kits and is being shown around by Cloudtail.)

Cloudtail: And this is the Fresh kill pile. Have something to eat!

Daisy: *Looks at the fresh kill pile disgustedly* Umm... Do you have any chips?

Cloudtail: Nup.

Daisy: Sausages?

Cloudtail: Nope.

Daisy: Gravy?

Cloudtail: Should I know what that is?

Daisy: *Sighs* Things need to change around here. I'm going to build a shop.

Cloudtail: A what?

Daisy: Shop. A place where cats can bye food that is much better than this *pokes a dead mouse* stuff.

Cloudtail: *Eyes go very round and blue* Can it sell cookies?!!!

Daisy: *Purrs* Sure!

Cloudtail: Great!

(Many hours later...)

Daisy: All done!

Cloudtail: *Gasps at the small wooden shop painted pink and purple with a big sign that says: *Daisy's Shop*.* Wow!

(Soon cats from all four clans are coming to Daisy's shop.)

Leopardstar: Can I please have some blue fairy floss?

Daisy: Sure!

Blackstar: Blue fairy floss is for whimps!

Leopardstar: Well what did you bye?

Blackstar: *looks up to reveal his white fur stained with pink* Pink cupcakes!

Berrykit And Daisy's Shop

Daisy: Berrykit I need to take a break from looking after the shop. Will you take over for the day?

Berrykit: Sure! What do I do?

Daisy: Ok, I have some more pink cupcakes to sell. Most cats will ask how much they cost. You say, One brown pebble. Then they will probably ask if they have catmint in them. You say, Some of them do some of them some them don't. Then if they don't bye them just say, Well if you don't somebody else will.

Berrykit: *nods* Ok!

Daisy: Thankyou! *leaves*

Squirrelflight: How much are your cupcakes?

Berrykit: One brown pebble.

Squirrelflight: Do they have Catmint in them?

Berrykit: Some of them do, some of them don't.

Squirrelflight: I don't think I'll have any.

Berrykit: Well if you don't, somebody else will.

Heathertail: How much are your cupcakes?

Berrykit: One brown pebble.

Heathertail: Do they have Catmint in them?

Berrykit: Some of them do, some of them don't.

Heathertail: I don't think I'll have any.

Berrykit: Well if you don't, somebody else will.

Willowshine: How much are your cupcakes?

Berrykit: One brown pebble.

Willowshine: Do they have Catmint in them?

Berrykit: Some of them do, some of them don't.

Willowshine: I don't think I'll have any.

Berrykit: Well if you don't, somebody else will.

Ratscar: Hey Kit, have you got the time?

Berrykit: One brown pebble.

Ratscar: Do all of your clan have brain damage?!

Berrykit: Some of them do, some of them don't.

Ratscar: *growls* Would you like me to scratch you?!!!!

Berrykit: Well if you don't, somebody else will.

Ratscar: *yowls and pounces on Berrykit*

(The End! :D)

Mousefur: What now?!

Firestar: Sssssssstttttttttooooooppppppp!!!!!!!!

The Real Reson Why Tigerheart And Dovewing Broke Up

Dovewing: Tigerheart. I can't do this anymore. We must end this.

Tigerheart: But I love you! Please
Dovewing, why? I know your in a prophecy but... but...

Dovewing: * Sighs* The prophecy has nothing to do with it.

Tigerheart: Then why?

Dovewing: *wrinkles her nose* It's your colour! I can't stand it! I wouldn't be caught dead with a brown tabby tom at my pretty pale grey side! I'd never hear the end of it! And have you seen you eyes? They're amber! Sorry hon, but they just don't look nice with my blue eyes.

Tigerheart: What?! No! Please, I'll change my fur colour! And my eyes, I'll wear contacts!

Dovewing: Sorry but no. Bumblestripe's dark grey fur matches my own far better than yours ever will. Maybe ask Tawnypelt. Her fur will work well with yours.

Tigerheart: What?! But she's my mother!!! That's creepy!

Dovewing: Not my problem. Bye! *Goes back to Thunderclan camp*

Tigerheart: Hmph!

Thats A Terrible Name!

Leafstar: From this day forward until he has received his warrior name, this young cat will be known as Eggpaw.

Eggpaw: That's a terrible name! I didn't join Skyclan for a crummy name like Eggpaw! Give my old name back now!!!

Leafstar: *sighs* If your going to stay with us then you mush change your name.

Eggpaw: Then give me a cool name like... The Eggsternator!

Leafstar: That's the most mouse-brained thing I have ever heard!

Eggpaw: Then give me my old name. Stick, Cora, Coal and Shorty kept there's.

Leafstar: Fine! From this day forward until he has received his warrior name, this young cat will be known as Egg.

Egg: *Purrs* Thankyou! Egg... What a lovely name for an apprentice!

Leafstar: *rolls her eyes* Whatever.

Tigerheart's Letter to Dovewing

Dear Dovewing,

Please love me again! I know that you told me that our fur didn't match but my fur is now a wonderful bright pink that I believe will go well with your soft grey fur. I suppose your wondering how I changed my fur colour? Well, it's because I'm magic. In power of three: Outcast my fur is ginger and after that I am a dark brown tabby. I am wearing contacts that have changed my eyes yellow that will also look nice with yours. Think about how nice you will look walking beside a pink cat with yellow eyes.

Lots Of Love,

Tigerheart

Ratscar's Shop

Ratscar: Ever since that little scrap of fur, Berrykit gave me poor service at Daisy's Shop my friends and I haven't gone back there. It's time that I made my own shop! *begins to build his own shop*

Ratscar: *Looks at the small black store with big letters that say in bad spelling: Ratscar'z Shop That Iz Betar Then Daysis* Done!

Blackstar: *looks at the shop* Wow Ratscar! Can I please have some pink cupcakes?

Ratscar: Sure! *gives Blackstar a small tray of cupcakes that have been burnt so much that they are completely black*

Ratscar: Happy to be of service!

Tawnypelt: Ummm Do you have any chicken?

Ratscar: Sure! But it will cost you something!

Tawnypelt: What?

Ratscar: A kiss.

Tawnypelt: *snorts* I'm going to Daisy's!

Ratscar: *shrugs as Tawnypelt leaves*

Toadfoot: *enters* Can I have a burger with the lot?

Ratscar: Sure! *gives Toadfoot a moldy burger*

Toadfoot: *wrinkles his nose* Is this a joke?

Ratscar: Nup.

Mosskit: That gives me a great idea! *Hurries away*

Mosskit: Well... Snowkit, you can be the camera cat. *passes Snowkit the video camera* Larchkit, you can be the interviewer.*hands Larchkit a notebook and small microphone*

Larchkit: And what will you be?

Mosskit: *picks up a very shiny microphone studded with diamonds* I shall be the host.

Larchkit: *grins* I'm sure you'll be the best host for a crap show!

Mosskit: *glares at Larchkit*Lets get stated! Snowkit! Turn on the camera!

Snowkit: But who are we interviewing?

Mosskit: Good question. Hmmm....

Swiftpaw: *pads over* Hi! What are you up to.

Larchkit: *to herself* Making a crap show...

Mosskit: Perfect! Swiftpaw how would you like to be on our new show?

Swiftpaw: I'd rather not...

Mosskit: Splendid! Just sit over here and do as we say!

Swiftpaw: Fine...

Swiftpaw: *giggles*

Mosskit: Today we are joined by a former Thunderclan apprentice by the name of Swiftpaw. He will be answering a few questions

from Larchkit.

Snowkit: *turns the camera to Larchkit*

Larchkit: Hello Swiftpaw, the first question is: What is your name?

Swiftpaw: Umm... Swiftpaw.

Larchkit: What was the cause of your death?

Swiftpaw: I was mauled by dogs.

Larchkit: Would you like to tell us more about you and the dogs?

Swiftpaw: No.

Larchkit: Why not? Are you hiding something? *glares at Swiftpaw*

Swiftpaw: *yawns* Nup.

Larchkit: Um... Would you like to expand on that?

Swiftpaw: Not really. Can I go now?

Mosskit: *Sighs* Well folks that's all we have time for on CRAP. Until next time, may CRAP light your path.

Snowkit: *Turns off the camera* Well that was...

Swiftpaw: *pads away* Crap!

Why You?!!

Dear Ashfur,

Your right. Your not meant for Starclan. I made a mistake and you are now free to join the Dark Forest with Hollyleaf who doesn't deserve Starclan either. I with you both the best in you new home together.

May darkness shadow your path,
The Cat Who Let You In Here

What?!

Dear, Whoever's Idea It Was To Let Me In Starclan,

Nooo! Not Hollyleaf! Pleeeeese! I'd rather be stuck in Starclan with the heebygeebies than with her! Pleeeese! Get. Me. Away. From. Her.

Lots of love,

Ashfur.

CRAP: Episode 2

Mosskit: Hello and welcome to another CRAP show. Today we are joined by Honeyfern who will be answering some CRAP questions.

Snowkit: *turns the camera towards Larchkit and Honeyfern*

Larchkit: Hi Honeyfern, what is your name?

Honeyfern: Hi Larchkit! My name is Honeyfern and I would like to say hi to all of the wonderful cats watching this CRAP show!

Larchkit: Ok... What was your cause of death?

Honeyfern: Well one day I was sitting near Mousefur and Briarkit when Mousefur wanted something to eat. I went to get her a mouse before she could start yaking about how useless young cats are these days.

Snowkit: Get to the point already!

Honeyfern: Alright! Alright! Anyways, I had just picked up the mouse when I heard a scream. I whiled around to see a huge snake looming over Briarkit, it's jaws parted to kill. I leaped on the snake while pushing Briarkit away. I fought the snake off but it bit me anyway.

Snowkit: Hurry up!

Honeyfern: I felt my body spasm as the venom coused through my veins. I tried to scream out for help but no sound came out. Within minutes I was dead. *hangs head*

Larchkit: *gasps* That must have been horrible!

Snowkit: *snorts* Honeyfern talks to much! She should have just said: Snake bite!

Mosskit: Shhh Snowkit! Camera Cats don't talk!

Honeyfern: That reminds me of a funny story about this cat and a... *vioce fades into the background as Mosskit starts talking*

Mosskit: Well that's all we have time for on the CRAP show. Until next time, May CRAP light your path...

Mousefur's Chapter 3

.

What A Waste 3

Firestar: Mousefur!!! Stop. It. Now.

Mousefur: *laughs evilly* NEVER!!!

The Tribe Of Endless Hunger

Stormfur: The Tribe's ancestors are called The Tribe Of Endless Hunting, right? Well shouldn't we have a Tribe Of Endless Hunger? I mean, we have StarClan and The Place Of No Stars so where is the Tribe Of Endless Hunger??? It makes sense to have one. How do I get there? I want to visit them NOW!!! Please, please, please tell me how to get there!!!

Ways To End Up In The Dark Forest

Jinxedglare: Ok, so I've only just realised this but I haves actually told you ways to end up in the DF!!! *face paw!* So here it goes...

1. Steal Blackstar's pink cupcakes.

2. Go to Ratscar's shop.

3. Steal Firestar's rainbow tutu.

4. Steal Cloudtail's cookies.

5. Walk into StarCan territory and yell out: "Brokenstar is the best and Yellowfang smells!!"

6. Sing: "Oh I wish I was a Dark Forest cat with death berries in my hair!" Really loudly at a gathering.

7. Tell Sandstorm what Firestar *really* thinks about her.

8. Ask Jayfeather if he can take a *look* at your wound.

9. Steal Blackstar's unicorn teddy ...At your own risk...

10. Wear an UGLY tie at a gathering.

11. Steal Leopardstar's make up and show it to everyone and tell them that she isn't a natural blond.

12. Cuddle Scourge and scream out loud: "My hero!!!"

13. Ask Bumblestripe how he feels about Dovewing then tell him how she feels about him.

14. Protest about nothing at a gathering and refuse to stop.

15. Read this chapter. :D

Jokes With Firestar And Cloudtail

Cloudtail: Uncle!!! I have a joke!!!

Firestar: WHAT?!?!

Cloudtail: Knock knock!

Firestar: Who's there?

Cloudtail: Interrupting Cat!

Firestar: Interru-

Cloudtail: *interrupts* MEOW!!!!!!!!!

Firestar: *growls loudly* Whatever!

Cloudtail: I have another joke!

Firestar: What?

Cloudtail: What do you call a RiverClan cat in the desert?

Firestar: *thinks* Um... Steve?

Cloudtail: *scorns* No.

Firestar: Brett?

Cloudtail: Guess again.

Firestar: Kevin?

Cloudtail: Those aren't even clan names!!! The answer is.... Lost!!!

Firestar: ?

Cloudtail: *shrugs* Ok, so maybe that wasn't very funny... I have one last joke...

Firestar: Fire away!

Cloudtail: A cat walks into a bar, right?

Firestar: *nods*

Cloudtail: And says.... *giggles*

Firestar: WHAT?!?!

Cloudtail: *bursts out laughing* OW!!!

Firestar: What? Why would a cat walk into a bar and say 'ow'? Why would a cat walk into a bar anyway? It's not like we drink those sorts of things! *shudders at the thought*

Cloudtail: *rolls his eyes* You don't get the joke, do you?

Firestar: Nup!

Cloudtail: *turns away from Firestar and looks you right in the eye (Yes you! The person reading this!!!)* This is actually a really funny joke but you have to REALLY think about it to get it. My uncle, *gestures to a puzzled Firestar* doesn't get it but maybe you will... The first person to comment that you get the joke and tell Firestar how it works will get 1000 free cookies and permission to follow Cloudtail's warrior code (Chapter 5)!!!

What Mousefur Would Have Been Like If She Had Kits

Mousefur: *curls her tail around her new born ginger kit*

Firestar: What are you going to call her Mousefur?

Mousefur: Well... How about... Starkit!

Firestar: No.

Mousefur: Why?

Firestar: If she becomes leader her name would be Starstar!

Mousefur: *rolls her eyes* You think that this... Thing could be leader?

Firestar: It's possible.

Mousefur: Fine! I'll call her Amazingateverythingkit!

Firestar: What?!

Mousefur: Amazingateverythingkit. You said she could be leader and a leader has to be amazing at everything.

Firestar: And what if she's not? Its not fair for her to have a name like that to live up to. How about you name her after her appearance?

Mousefur: *sighs* Fine! Uglykit is my daughters name!

Firestar: Mousefur!!!

Mousefur: What? You told me to name her after her appearance and I did. Ginger cats are ugly and her fur is ginger. Why do you think I hate you so much?

Firestar: *storms out*

Mousefur: Finally! Now I can name my kit without him hovering over me! *licks her kit* Your not really ugly. I just like to disagree with everyone!

Ways To Make The Clan Leaders Hate You

2. Invite all of the rival clans to an all you can eat party and say that Blackstar will pay for all the food and drinks.

3. Kill Tigerstar 9 times and then once more in the Dark Forest.

4. Rub Firestar in cookie dough then set Cloudtail on them.

5. Ask Tallstar why he is called Tallstar instead of Fatstar.

6. Show everyone Mistystar's birth certificate.

7. Light Firestar's fur on fire then tell him how much is name suites him.

8. Tell everyone Nightstar's secret.

9. Tell Scourge that you must be over 30cm tall to lead a clan.

10. Ask Sunstar how a blond could lead a clan. (I am not dissing blonds- I'm one! XD)

Mousefur's Chapter 4

What A Wast 4

Firestar: PLEASE MOUSEFUR!!! NO MORE!!!!!!!!!

Mousefur: Huh? What's that? You want more? Well ok, here comes the authors note!

Mousefur's Authors Note

Contest!

Hi everyone! I have decided to have a fun little contest for this book! Read the details below to find out more 👇

Topic: You have to write a little spoof about Mousefur and Firestar arguing.

They can argue about whatever you want them to and the outcome can be whatever you want. Mousefur and Firestar don't have to be the only cats n the spoof either!

How to enter: Just PM it to me! If you publish it in one of your own stories or just dump it in the comments, it won't count and I won't bother putting it up in the running. Please try not to let it be any longer than one message. If its like 2 messages long or something, it won't count either. This is a spoof, not a novel.

Judging: This contest will be judged by fellow readers. Whatever entry receives the mists votes at the end of the contest wins! Please though, if you don't win, don't get upset. If you get annoyed with myself or any of the other participants I will delete your entry, unfollow you if I'm following you and mute you on Wattpad.

Due date: This contest will finish on the 20th of September so hurry and get your entries in!

Prizes: Since the due date's not far from now and I'm not sure how many entries I'll receive, I have decided that only the person who comes first will get a prize. The prize is: A follow from me (if I'm not already following you) and I will read, vote and comment on a story that you have written if your choice. If you haven't written any stories we'll have to work something out... But anyway, enter! 😊

Ways To Make Kit's Cry

• Burn their mossball.

• Tell them that StarClan isn't real.

• Eat honey in front of them.

• Make them watch you slowly kill a baby rabbit then say: "That's what happens to kits if they're not careful."

• Toss a mossball into a nettle patch and make them fetch it.

• Make them chop onions.

• Step on their paws and laugh.

A/N: Mean, I know. I'm in a mean mood.
